FALL 2018

Sherlock Holmes Takes the Case

Solve a mystery with the world's most famous detective!

Something's amiss, and now "the game's afoot!" for the brilliant scientist and criminologist, Mr. Sherlock Holmes.

Along with his trusted companion, Dr. Watson (played by a child volunteer), Holmes will follow the clues and solve the mystery with the audience's help.

The Story of Ebenezer Scrooge

The Classic tale of a miser's redemption.

Ebenezer Scrooge is a nasty, mean, snarling old geezer with no care for anything other than his money.

His one and only friend visits him as a ghost, and starts him on a journey that melts his icy heart and teaches him the joys of caring for, and giving to others.

SPRING 2019

The Life of Leonardo da Vinci

The Renaissance Man

Leonardo was a scientist, an artist, an engineer...and much, much more. This brilliant, creative man inspires a special fascination in all of us.

Besides learning the story of his life, students are exposed to his ideas, discoveries and achievements in the myriad of fields he pursued during his lifetime. Performed in the style of our Mozart and Beethoven programs, this show includes period music, models, and reproductions of some of Leonardo's most famous paintings.

Dorothy in the Land of Oz

Frank Baum's endearing classic...the most beloved children's story of its generation!

Dorothy is carried far from her humble home in Kansas, to a vivid and magical land called Oz. After a hair-raising encounter with a Wicked Witch, she and Toto follow the yellow brick road to seek out the help of the Great and Powerful Wizard of Oz.

On her journey she meets three unusual new friends who teach her wisdom, compassion, and courage.

SUMMER 2019

My Mother The Astronaut

To the moon and beyond!

Aquarius's mom is an astronaut and today is "Take your child to Work Day". Aquarius can't wait to go to NASA and find out what it's like to be in space!

They visit Mission Control where she meets scientists and engineers who show her what they do and she learns all about space travel.

Her imagination blasts off and she dreams of incredible journeys through the cosmos!
