*Genius and dedication overcome disability in the true story of this
composer's life.*

One of the greatest composers of all time, Ludwig Von Beethoven, wrote his greatest masterpiece, the 9th Symphony, while he was profoundly deaf. This fast-paced, inspiring, and easy-to-understand play is accompanied by Beethoven's powerful music. Factual and compelling, Beethoven's story is moving and unforgettable. Performed in the same style as The Life of Mozart, this play is specially designed for the K-6 age group.
